**Topics**

This seminar guides employers through the UC claims process, beginning when an employee is determined financially eligible for benefits. Important points we will explain include:

- What is relief from charges and which employers may be eligible?
- What documents do employers receive and why?
- How can employees' separation affect their UC eligibility?
- How accounts are charged when multiple employers are involved?
- What factors determine if a job offer is considered suitable work?
- How should an employer notify the UC Service Center of a UC claimant's refusal to accept an offer of suitable work?
- What additional protections do employers have when posting a job opening with PA CareerLink®?

**Questions & Answers**

We know there are times the UC program seems confusing, so be sure to bring us any questions or concerns you have. We hope this seminar, along with a chance to hear issues other employers are experiencing, can help your business better understand the UC program.
