About Us

We're construction people, and we understand that without the right equipment you can't get the job done on time. We created the TireSocks® line of products with construction people in mind. Our products are easy to use, durable and dependable. A great product is nothing without great service. TireSocks manufactures every product from our headquarters in Centennial, Colorado. We're always here to help and we're proud to say we ship orders the same day, EVERY DAY!

Our Products

Whether you need to keep your job site clean, your employees safe, or your equipment protected; we have several products just for you. With our full line of surface protection and safety products, you're guaranteed to find just what you need.

Distributors

A variety of distributors carry TireSocks brand products. For a complete list of our distributors, or for more information on becoming a distributor, please contact us.

Heavy-duty option on page 20

Always verify tire size and measurements prior to ordering. See page 31

TireSocks®

TireSocks are used to protect finished flooring from scuff marks caused by rubber tires as well as residue from non-marking tires. TireSocks are constructed using heavy-duty fabrics and can be made to fit any size tire. TireSocks have several advantages over similar products currently on the market. They are easy to install, don't slip off the tires and self-center as you drive.

Patch over Seam

Don't Leave a Mark

We've Got You Covered

Keep your jobsite floors clean with our full line of TireSocks® and DripDiapers®.

Find part numbers to fit all your equipment on pages 1-19

DripDiapers®

Stop wasting time with plastic and duct tape! DripDiapers are a cost-effective solution for protecting finished flooring from fluid leaks. A heavy-duty absorptive pad in the center of each DripDiaper collects fluid that may leak from the chassis of equipment. DripDiapers are available in 7 standard sizes that can be customized to fit any piece of equipment, allowing you to stock just a few part numbers. Every DripDiaper includes an install kit with adjustable bungee straps and magnetic attachment points make installation a breeze.

Pre-Cut DripDiapers

Custom pre-cut DripDiapers are available for the Genie GR Series, Skyjack 3219 and Skyjack 3226. For more information on our pre-cut DripDiapers, contact our Customer Service department.

Install Kit

Each kit includes:

- 4 Magnets
- 8 Bungee
- Absorptive pad

To order an additional kit, specify "DDKIT" on your next purchase order.

Don't worry... We've got you covered.

SafetyPads™

ENTRY GATE

AerialJackets™

AerialJackets protect scissor lifts, control boxes and boom baskets from the elements, dust and debris. Constructed of heavy-duty, water-resistant material, our covers will keep your equipment looking great and protect your controls from damage. Products are easy to install and include a retractable lock to prevent unwanted use and theft. AerialJackets are constructed to allow easy access to controls and charging ports without removing the cover. Add your full color logo to create a unique marketing opportunity and always stand out on the jobsite.

Anti-Theft

AerialJackets include a retractable lock to keep covers secure and tamper-proof.
