

## **Michigan Basic Skills Final Standings by Skater**

The Michigan Basic Skills series offers Basic Skills level skaters the opportunity to earn points towards season awards. Each year approximately 16 series competitions are offered. Skaters who compete in Series competitions accumulate points towards a season-long Series medal. For each Elements (CM) event entered, and for each Freestyle (FS) event entered, the skater receives points towards their season total.

### **Snow Plow Sam CM**
