Allow yourself to be transported to the beginning of creation, when ***Voices Of Hope*** presents the beloved musical for all ages. This family-friendly production was created by musical theater greats Stephen Schwartz (Wicked, Pippin, Godspell) and John Caird (Les Miserables, Nicholas Nickleby).

Children of Eden uses familiar Biblical characters to examine the love between parent and child, and how growing up can bring equal measures of joy and heartache, and ultimately delivers a bittersweet but inspiring message—that “the hardest part of love . . . is letting go.”
