

SUPRA / Keysafe Tidbits

EFFECTIVE IMMEDIATELY! (5.28.17)

IF YOU ARE UNABLE TO RELEASE THE SHACKLE OF ANY WMAR/SUPRA KEYSafe,
PLEASE CONTACT THE WMAR BOARD OFFICE. **WE WILL THEN MAKE
ARRANGEMENTS AND PAY FOR SERVICES TO TROUBLESHOOT THE PROBLEM AND / OR
HAVE THE KEYSafe REMOVED.**

PLEASE DO NOT CUT OFF THE KEYSafe YOURSELF.

Please Remember...

When adding a keysafe to your listing...

... you **MUST** add the keysafe to your inventory at www.supraekey.com
(this will insure that you get important showing notifications by email)

When you take a keysafe off your listing...

... you **MUST** remove that keysafe from your inventory at www.supraekey.com
(this will insure that you no longer get important showing notifications by email)

If you are unsure about the above procedure, please contact the WMAR office at 928-537-1107

We are seeing more and more jammed lockboxes at the WMAR office.

To avoid jamming the box, please follow the tidbits below...

DO

place the key in the side with the yellow / green key picture!

DO NOT

put the key in the side with the
NO KEY WARNING!

If you are unsure about the above procedure, please contact the WMAR office at 928-537-1107
