Setting the stage for SUCCESS

for Students with disABILITIES

Friday, April 7, 2017

9:00 am - 4:00 pm

***CEUs available**

East Bank Regional Library
4747 W. Napoleon Ave.
Metairie, LA 70001

A light lunch will be served.

Guest Presenters

LSU Human Development Center

**John R.
Johnson, Ph.D.**

**Sue G. Killam,
M.Ed., CWIC,
CESP**

For students with disabilities, setting the **stage** for their future success should begin at the earliest age possible in their educational careers. Planning is critical and will help guide their futures in the right direction.

This mini-Conference will take you through the stages of planning during each level of education including the **elementary, middle and high school** years. The focus is on key elements of planning, strategies and evidenced-based practices that will **spotlight** their journey to success.
