

Autism Spectrum Disorder: Evidence-Informed Family Supportive Services

Webinar: Friday, December 9th • 10:00 am - 12:00pm

This FREE webinar is for:

- Mental Health clinicians, medical professionals, and school personnel who provide family-based services.
- Community health workers and service workers that are interested in addressing family needs.
- Parents and family members interested in learning about family-related issues for children with ASD.

CEs available for Social Workers, Psychologists, and Professional Counselors. To register, please go to <https://lsuhscpsych.clickmeeting.com/asd/register>
For more information, please contact Kira Barker at cbark1@lsuhsc.edu
