

## Relay Newark's Professional Development Series 2016-2017

Join Relay Graduate School of Education and educators from throughout Newark for our **Free** Professional Development series! You will have the opportunity to improve your teaching technique and experience Relay's performance-based model firsthand. Come **learn, practice, and perform** concrete strategies to improve student achievement.

Opportunity	Description	Details
<b>Engaging Everybody: Concrete Steps to Student Engagement</b>	Join Relay GSE Dean Jamey Verrilli at this teacher-focused workshop where you will learn, practice, and perform specific techniques to engage all students in your classroom! We will focus on techniques that bring students into the learning and increase their focus.	December 7, 2016 5:00pm – 7:00 PM Rafael Hernandez School  Click to <a href="#">RSVP</a>
<b>Teaching Exceptional Learners: Reaching Special Education Students</b>	Join Relay GSE for this free teacher-focused workshop where you will develop concrete strategies to reach your most exceptional learners. We will explore differentiation and how to meet specific needs to help all students achieve.	January 19, 2017 5pm-7:00pm Camden Street School  Click to <a href="#">RSVP</a>
<b>Coaching Teachers: Real-Time Feedback Strategies</b>	Join Relay GSE for this free leader-focused workshop where you will practice delivering real-time feedback to novice teachers to help them get better faster! This workshop is specifically designed for department chairs, coaches, and school leaders.	Location and Time TBD
<b>Questioning: Strategies to Improve Student Learning</b>	Join Relay GSE for this free teacher-focused workshop and hone your questioning skills! We will develop techniques that raise expectations, push for higher order answers and that close the loop on learning.	Location and Time TBD

\*All Participants earn NJDOE professional development credits.
