

# Sponsors' Profiles

Global Bank of Commerce Ltd. ("GBC") is a Caribbean owned and operated international bank, offering attractive financial products to its regional and international customers since 1983. It has the distinction of being the "grandfather" of international financial services operating in the Antigua and Barbuda's Financial Centre, providing multicurrency wealth management and investment services, generation after generation.

Strong and secure online technology and processing systems place our services at your fingertips, and our card services allow clients convenient access to their accounts across the globe. Our experienced team of bankers recognize that each customer's financial needs are unique, and we take great pride in tailoring our services for our valued clients.
