HITACHI Inspire the Next

 **Hitachi Systems Security Inc.**

Founded in 1999, Hitachi Systems Security is a Global IT Security Service Provider who builds and delivers customized services for monitoring and protecting the most critical and sensitive information assets in our clients' infrastructures 24/7. Our mission is to make the Internet a safer place for all, to harness the full potential of connecting people and businesses together to build trusting relationships that can be the catalyst of worry-free collaboration and limitless innovation.

Hitachi Systems Security caters to small and medium size businesses as well as Fortune 500 companies in important, highly-regulated industries – such as financial services and government – where the need to process or store considerable quantities of confidential data is paramount. From our five Security Operations Centers (SOCs) in Canada, the United States, Mexico, Japan and Switzerland, we protect clients in over 50 countries around the world.
