

## DCDC Member Spotlight: Sashollie

Sashollie is located in the former Dot's Hallmark. Sashollie was named to incorporate Beth Hughes and Mike Hughes' 3 girls ..... Sarah "S", Ashley "ash" and Mollie, "ollie", Sashollie.

They have a variety of items to choose from! Walking into the store you will find a beautiful selection of home décor, furniture, lamps, mirrors, clocks, candles and so much more.

As you pass through, you can find lotions, soaps, clothing for ladies as well as some accessories to suit anyone.

On the south side of the building is a delicious variety of specialty foods, balsamic vinegars, Sunflower and Olive oils, Fireside Wine, spices blends and salt blends, just to name a few.

This spring they will be continuing to add some decorative items for your outdoors! Oh, and one other thing you will find is the awesome selection of area rugs!
