December, 2017

Dear friends,

The NID **School Support Fund** helps support Lutheran school services above and beyond what our District budget is able to provide. Thanks to this fund we can continue to serve schools with The School Support Fund serves all NID schools by providing:

- Travel and expenses for **early childhood consultants**
- The NID covers the **cost of the LS portal previously billed to schools**
- **Offset NLSA expenses**. The annual fee charged recovers only a small portion of the \$30,000+ spent by NID annually on NLSA.
- **Curriculum services** provided in workshops, website management, etc.

Please consider supporting these on-going services by contributing to the NID School Support Fund.

The suggested level of assistance is \$1.00 per pupil. Some schools have chosen to do more. As every school supports this Fund at this minimum level, a great deal can be accomplished. I strongly encourage all elementary schools and preschool centers to participate.

God's peace,

Mike Zimmer

School Name/City _____

of pupils enrolled: _____ x \$1.00 = _____

Enclosed is \$_____, our level of support for this year.

Please send this along with your check by March 1, 2018 to:
