

Stewardship Workshop -

Leading People to Generosity

Who should attend:

Pastors, Stewardship Committee, Lay Leaders

Becoming generous, sacrificial givers does not happen accidentally!

People in your church need to be taught what God's Word says about money and possessions, and encouraged and helped to grow in financial support of the Lord's work. This workshop will help you:

- Understand current trends in church giving
 - Have an effective annual stewardship emphasis
 - Know what WORKS in growing offerings
 - Talk to church members about giving (biblically!)
