It's More Than a Box: Sharing Christ in Togo

Featured Speaker: Serena Butler

After a Continental breakfast, Serena Butler, the Upper Midwest Regional Manager of Operation Christmas Child (OCC), will share her experiences from a trip to Togo, West Africa in May 2017 where she took part in five OCC events in Lomé. Her encouraging stories show how the Lord works through OCC boxes and its discipleship program to not only bring joy to children, but also to answer specific prayers. She will illustrate how one's involvement with OCC changes lives and makes an eternal difference.

**A freewill offering will be received to support
OCC's discipleship program, *The Greatest Journey*.**
