

BC Children's Hospital Christmas Wish List

Thank you for your interest in making Christmas a memorable time for our patients at BC Children's Hospital. Through generous donations, our Child Life Department ensures that every patient and siblings have gifts on Christmas morning. You will find an attached listing of **age appropriate toys & gifts** needed and acceptable to BC Children's Hospital.

At BC Children's Hospital our primary concern is the comfort and well-being of our patients and their families. Here are a few guidelines, which need to be followed:

- All donations must be new and **NOT** wrapped. Toys need to be inspected so they can be matched with the appropriate child.
- Please, no toys or action figures with weapons or violent themes such as guns, knives, swords, or other projectiles.
- Due to infection control and allergies, we CANNOT accept used toys of any kind. This includes stuffed animals that have only been on display.

Let us do the shopping for you by donating online:
