

GOD WAS ALWAYS WITH ME

Angela Springer

Angela's faith journey began in the Catholic Church--led her to explore many different denominations--and ultimately she returned to her roots. "I have had times of amazing faith in my life and times when I searched and wandered."

"God carried me some days and held my hand always."

"So humble yourselves under the mighty hand of God, that he may exalt you in due time." 1 Peter 5:6

Come join us to hear Angela Springer's journey of faith, and bring a friend!
