## Dear Members of All Saints

For many months now, All Saints has been emailing a Weekly Update to our membership that has become a very popular and preferred way of letting everyone know of the many activities that our various ministries will be engaged in through the coming week.

We've also observed that much of the information found within the Weekly Update duplicates material contained in our bi-monthly Notebook publication. In addition, our Notebook is much more costly to produce and send.

So, a decision has been made that this November/December copy of the Notebook will be its final printing. If you are a parishioner who does not receive email, you can either request that we send you a copy of the Weekly Update via regular mail or they are also made available to our members as you are leaving the church.

If you've never read the Update, we encourage you to start and believe you'll find it fills your every need for keeping up with the many fabulous ministries at All Saints.

### Sign up for the Weekly Update, Like Us on Facebook and Check Out Our Website

Each Thursday morning an email is sent from the Church listing all of the upcoming events. There is also an insightful note from Father Ernie. If you are not receiving these emails, please contact Church Secretary, Michelle Christoph at michellec@allsaintswp.com or 407-599-4304. It is important for you to keep your email address current with the Parish Office. This makes it easier to reach you through weekly email updates and also helps maintain login credentials for Access ACS.
