

WOMEN OF REFORM JUDAISM
at Westchester Reform Temple

17TH ANNUAL WOMEN'S SEDER

REJOICE, REMEMBER, RENEW!

A Meal of Freedom and Song

Thursday, March 30

6:00-9:00 pm

As the Israelite women danced into freedom
after the parting of the Red Sea,
they ushered in a time of great
learning and sacred education for the Jewish people.

We invite you to join in this Passover celebration as we gather
And pay tribute to the daughters of Israel.

Guided by our WJR Women's Haggadah, we will retell the
Passover story with an emphasis on the feminine and join
together as our own scared community to sing, pray, dance and
share a ritual meal.

*"Then Miriam the prophetess, Aaron's sister,
took a timbrel in her hand,
all the women went out after her
to dance with timbrels."*

All mothers, sisters, daughters, ECC moms,
post Bat Mitzvah teens
and J-lective students are welcome!
