It's Judging Team Time

What are Judging Teams?

Have you ever attended a fair or contest with ribbons on items and wondered

why they were judged that way? 4-H judging teams allows youth to learn how to judge items and learn that subject area, make new friends, and travel. 4-Hers will gain critical thinking, team work, decision making, and communication skills. And importantly it is a lot of FUN! This newsletter has several opportunities for your youth to be involved.
