

The Wayne Drumlins Antique Auto Club AACA Region and the Genesee Valley Antique Car Society (GVACS) AACA Region, along with our friends in the Rochester Regional Group of HCCA, are pleased to host seventy pre-1916 automobiles and their owners in the beautiful Finger Lakes area of upstate New York for the 2018 AACA Reliability Tour.

The host hotel is the Ramada Geneva Lakefront 41 Lakefront Drive, Geneva, New York. They can be reached at 315-789-0400 or GenevaRamada.com.

Daily Highlights:

Monday- Our week begins with an opening breakfast at the host hotel. Then on to Canandaigua to visit Sonnenberg- an Edwardian Mansion and Gardens, lunch aboard the Canandaigua Lady, and a stop at Grainger homestead- a federal-style mansion and carriage museum.

Tuesday- Our coffee stop will be at a Mennonite carriage shop that also does early automobile upholstery. We will lunch at the Glenn Curtiss Museum, followed by an afternoon wine tasting and a boating museum.

Wednesday- Coffee will be at Sampson Park Museum- formerly a U.S. Naval base, lunch at a private automobile collection and a tour of Hipshot- an innovator in stringed-instrument technology.

Thursday- Heading north, we'll enjoy coffee at Legendary Auto Interiors- a producer of restoration products for cars more modern than our horseless carriages. Lunch will be at Sodus Bay Heights Golf Club with its spectacular view of Sodus Bay on Lake Ontario. After lunch we will tour a lighthouse museum.

Friday- We'll visit Rose Hill- a Greek Revival Mansion, followed by a stop at a local cheese producer. Lunch will be at a popular party house. The afternoon stop will be at a working scale-model live-steam railroad exhibit. Our closing banquet will be at a restaurant in Geneva which still has the look it had in the 1940's when many famous big-bands played there.

We are excited to invite you to experience some of the wonderful things that the beautiful Finger Lakes region of New York State has to offer. Many have compared this area to parts of Europe with its hills, narrow lakes and spectacular views. Millions of visitors are drawn here annually to enjoy its scenery, wineries, historical sites, and museums. It's our home, and a great place to live, work, and enjoy early cars.

As a bonus, we will leave the Finger Lakes region one day, driving north to visit Lake Ontario, one of the Great Lakes, where we will explore that beautiful area.

Please consider joining us for an enjoyable week of early motorcar touring.
