**PINNACLE**  
INTERNET MARKETING

Mr. Myers is the owner and founder of Pinnacle Internet Marketing, a company he started in 2002 in response to the growing needs of businesses.

Prior to starting Pinnacle, Alan had a successful sales and management career in advertising media where he strategized with business owners to successfully market their products and services.

Seeing a business have financial success as a direct result of putting their websites to work for them instead of against them is one of the most thrilling and rewarding aspects of his work!

## DISCUSSION POINTS:

### Part 1

#### A. Advertising & Your Website

How can you avoid the big mistakes in advertising and use it to bring more high-quality traffic to your website?
