### **Supervisor of General Accounting, Westlands Water District, Fresno**

Westlands Water District is recruiting to fill one [Supervisor of General Accounting](#) vacancy at their Fresno Office. Applications are being accepted beginning Monday, June 11 through Friday, June 22.

The Supervisor of General Accounting reports to the Deputy General Manager of Finance and Administration and accordingly is employed as an at-will management employee. The Supervisor of General Accounting is responsible for planning, organizing, directing, managing, and supervising the work of assigned professional, technical, and administrative staff engaged in a wide range of accounting work within the General Accounting Department, including payroll, accounts payable, general ledger, budget preparation and performs the most complex, technical and specialized accounting work; reviews expenditures, budget variances and reconciliation of budget accounts; maintains control of subsidiary accounting records involving a variety of accounts and transactions, including monitoring and reconciling revenue and expenses; supervises the preparation of financial statements that conform with generally accepted accounting principles, financial statistical reports, requests for proposals and quotations, and other reports; and implements new Governmental Accounting Standards Board (GASB) statements for enterprise fund accounting. This position will participate in cost surveys, revenue analysis, development or modification of manual and/or automated accounting systems, and financial audits to assure compliance and dependability of financial records.
