## Paula Gozner-Neenah-Menasha YMCA Hero

Neenah-Menasha recognizes Paula Gozner as our 2016 Staff Hero.

The 3 words that best describe Paula are:

- **Passionate**
- **Compassionate**
- **Enthusiastic**

Our choice for the Hero Award was easy. This person has done more things for us in the Wellness Department and Fitness Department than we can count. The passion and commitment given to serving our members, developing our staff and enhancing our department is humbling and overwhelming. This person easily relates to people, is caring, concerned, fun loving, and has an incredible passion for what we do. The energy portrayed is never ending, and working above and beyond is all in a day's work.

Her strong beliefs, inspiration and enthusiasm is contagious, and gives her the edge as she has taken on such life-changing programs as Livestrong, she created the Stay Strong program which is programmed in all branches, works with our Diabetes program through ThedaCare, and helped create the Saturday Fun Club for special needs kids. She is also hoping to bring in other special needs groups for exercise and socialization. She works closely with our Livestrong trainers and the oncology groups, nurse navigators, Relay for Life, supports the Fox Cities Marathon 5k with Livestrong groups, to name a few, and she does all this while only working part time.

Paula Gozner is highly deserving of this award, and we are truly honored to have her on our team!

**Please help me in congratulating Paula Gozner as the Neenah-Menasha YMCA Staff HERO!!**
