## Kristin Johnson- YMCA of the Fox Cities Corporate Hero

The YMCA of the Fox Cities Corporate Staff recognizes Kristin Johnson as our 2016 Staff Hero.

When I think of Kristin three words come to mind...

- **Determined**
- **Compassionate**
- **Loyal**

Kristin Johnson has been with the Y for 15 years and has worked in several areas which include growth and development, member services, active older adult and corporate services. She currently is the Membership Development Assistant for the YMCA of the Fox Cities.

Kristin has always been a team player and is eager to help in any way needed. Her passion for the Y and her work with corporate membership and the senior population is to be commended. In the past year Kristin has stepped up to the plate and helped in many departments that needed an extra hand while keeping her main job at the forefront. She has a can do attitude and that is needed in the Y as no day is the same!

Thank you Kristin for your passion and loyalty!

**Please help me in congratulating Kristin Johnson as the YMCA of the Fox Cities Corporate Staff HERO!!**
