Neenah-Menasha recognizes Michelle Mueller as our 2016 Staff Hero.

The 3 words that best describe Michelle are:

- **Caring**
- **Enthusiastic**
- **Inspiring**

Michelle Mueller approaches her job with a wonderful spirit and commitment to getting things done right. She always has a great attitude and works hard to serve our members and staff. She takes on new duties and looks for solutions to problems that best serve all.

One of her main duties is keeping Randy and Nick in line which is a full time job in itself. They state that Michelle keeps the Maintenance department running like smooth and sure. The three words they use to describe her are enthusiastic, inspirational and committed.
