HAVE YOU BEEN TO THE BOWERY ROOM YET?

Tucked away at the very back of Five Points, this private, speakeasy-style bar room is characterized elegance, not extravagance. Exposed brick, dark woods & marble-stained bar top set the scene for any occasion. Open at 8pm Thursday-Saturday.

VEGAN POPUP DINNER THURS., JUNE 29TH!

Award-winning vegan Iron Chef, Lisa Books-Williams, will present an organic, gluten-free and plant-based dining experience at Five Points. Our bartenders also created a collaborative vegan cocktail menu to pair with each dish.
