

CALL FOR SCIENCE FAIR JUDGES

Fayette County Schools will hold its Annual Science and Engineering Fair on **Tuesday, January 15, 2019**. Science and engineering fair projects from all of our middle and high schools will be displayed at the LaFayette Educational Center ("D" Building) for judging. The day will conclude with an awards program in Sams Auditorium at 6:00 p.m. You are invited to serve as a judge and mentor for the fair, on January 15, from 9:30 AM - 1:40 PM.

As a supporter of science education, you understand the importance of scientific investigations/ engineering processes, and the challenges students face to complete a quality product. The major goals of the system level fair are to recognize outstanding student achievement; and also, select those top projects which will compete at the Regional Science and Engineering Fair at Griffin RESA.

The judging schedule for Tuesday, January 15, 2019, is as follows:

9:30 AM:	Judges Orientation
10:00 AM:	Judging Begins
11:00 AM:	Lunch Provided
12:00 PM:	Student Interviews
1:40 PM:	Results Finalized

Please click on the link below and complete the registration form by **Friday, November 16, 2018**. Additional judging information will be sent in mid-December.
