

# Families HELPING Families

A FAMILY SUPPORT PROGRAM OF THE NNPDF

Families Helping Families is a family support program of the National Niemann-Pick Disease Foundation. It is a chance for families to help other families diagnosed with Niemann-Pick Disease with items that might make their lives a bit easier.

***Some items that families may be looking for:***

**Equipment**

- Nebulizers
- Wheel Chairs
- Walkers
- Shower Chairs

**Clothing**

- Diapers
- Pull Ups

**Formula**

**Medical Supplies**

- Tubing
- Vest

***Also ideas, tips, or tricks that make your loved ones lives a bit easier that you have found would be helpful. For example:***

This type of thickening agent tastes better...

This over the counter medication works best for...

This website has... chair that my loved one finds comfortable.

The NNPDF will keep a list of items, tips or tricks and publish them in the e-newsletter that is sent out monthly to all NNPDF Members.

Please contact the NNPDF at [nnpdf@nnpdf.org](mailto:nnpdf@nnpdf.org) for more information.
