

MTBMA

MARYLAND TRANSPORTATION BUILDERS
AND MATERIALS ASSOCIATION

*Serving the Transportation Construction
Industry since 1932*

Contractor Membership Information

*www.mtbma.org
2408 Peppermill Drive Suite F Glen Burnie MD 21061*

MTBMA STRIVES TO GIVE YOU A GOOD BUSINESS ENVIRONMENT BY:

- Advocating for adequate funding for Maryland's transportation needs.
- Fostering partnerships between government agencies and officials, both state and federal, and MTBMA members.
- Representing its members to help Maryland build, upgrade and maintain a world-class transportation system.
- Providing members with relevant and timely information effecting the industry.
- Fostering goodwill within the industry and between the industry and the general public about the industry's significance to the economy.
- Promoting quality and safety in the design and construction of transportation system facilities.
- Producing and delivering services and activities to benefit the industry.
- Working to resolve state and local environmental and local planning and zoning process affecting the industry.
- Promotes proactive community relations and developing programs for the members to use to create a positive image of the industry.
- Conducting operations and safety seminars in cooperation with MSHA.
- Providing an awards program for site beautification programs.
- Promoting models for good neighbor programs.
- Developing models for educating and training the 21st century industry workforce.

WHAT WE DO

We serve as a forum for continuous improvement in our industry.

Education & Training

MOT Traffic Manager Training - jointly with SHA, MTBMA administers the MD approved Temporary Traffic Control Traffic Manager Training course required for projects in MD.

Erosion & Sediment Control - jointly with SHA, provides training necessary for designation as the Erosion and Sedimentation Control Manager on SHA projects.

Publications & Communications

www.mtbma.org Keeps members informed on industry news, events and training classes. Links to industry resources. Advertising available to MTBMA members.

MTBMA Newsletter Distributed by email. containing construction industry news of the week, schedule of meetings and events.

Membership Directory & Transportation

Construction Industry Guide Annually published, this directory includes all MTBMA member companies, grouped by membership type. Listing includes primary contact, address, telephone, fax, email and brief description of services. Advertising is available in this publication. Federal and state government agencies, related to the industry are also included in this valuable directory. Available to members only.

Infrastructure MD (The Journal for the Maryland Transportation Construction Industries) is a magazine published twice a year by MTBMA and other transportation construction industry associations. It is a platform to reach out to the industry as a whole and to the government officials and legislators who are charged with funding and providing transportation infrastructure.

WHAT WE DO

We serve as a forum for continuous improvement in our industry.

Conferences

MDQI Maryland Quality Initiative Conference. Jointly with State Highway Administration and other construction industry associations and government agencies. The conference covers issues and technical subjects of interest to contractors, consultants and other agencies.

MD Construction and Materials Conference

The annual conference is held jointly with Maryland Ready Mix Concrete Association. The agenda may include Technical, Educational and Political sessions as related to their industries, as well as social and networking opportunities.
