Time is precious.... slots are 25-30 minutes, therefore please arrive on time for your session. Each session will start at the time it was scheduled. If you arrive late, it will shorten the length of your session. Please be prompt.

Outfit changes are discouraged for Mini Sessions, (But.... you can bring an extra sweater or jacket to add some color patterns). Time slots are back to back and time is of the essence!!! I want to make sure we get to spend our time together capturing the life and personality of your family.
