## At the St. Jude Walk/Run to End Childhood Cancer

Fun Spot America – Orlando | Registration – 7 am | Opening Ceremony – 8 am | Walk/Run Start – 8:30 am

*"The network of amazing people at St. Jude helped Zane keep his dreams during treatment. Our biggest dream came true though; Zane is healthy."*

*We give thanks for the fact that a place like St. Jude exists and know right now there is another family receiving devastating news. Right now, another boy like Zane is starting the fight for his life. And, the reason he doesn't have to fight alone is because of the support of strangers like you. We are blessed to share our story with you. Right now another mom, just like me is walking into St. Jude for the first time and she needs all of our help..."*

*~Maranda Arnold, Zane's Mom*
