- What is your “normal” process?
- How might that change?

##### Project 1

- Painting the good old familiar way
- Analyzing process and outcome

##### Project 2

- What’s your vision for a different outcome?
- How will you change your process?
- Analyzing outcome and process

#### Day 2:

##### Project 3

- What’s your vision for a different outcome?
- How will you change your process and/or media?
- Analyzing outcome and process

##### Project 4

- What’s your vision for a different outcome?
- How will you change your process and/or media?
- Analyzing outcome and process

##### Review and Plan

- Which experiments did I enjoy?
- What felt really uncomfortable?
- Which of these experiments might I continue going forward?
- Journaling about the experience
