## A NATIONAL CALL FOR MORAL REVIVAL

The Poor People's Campaign: A National Call for Moral Revival is bringing together people across the country who are organizing to build a broad and deep national moral movement—led by the poor, impacted, clergy and moral agents and reflecting the great moral teachings—to unite our country from the bottom up. In the Spring of 2018, the Campaign will launch with 40 days of moral action, from *May 13th until June 21st*, in at least 25 states and Washington D.C.

By engaging in coordinated and collective nonviolent civil disobedience and direct action across the nation, we will confront the enmeshed and inseparable evils of systemic racism and other forms of discrimination, poverty, the war economy, and ecological devastation; begin to shift the distorted moral narrative of our nation; advance common demands for transformative change; and build power to continue this fight long after June 2018.
