

## **Saint Rose School Advisory Council (SAC) Lay Member Application**

Saint Rose School Advisory Council (SAC) serves in a consultative and advisory capacity to both the pastor and principal. SAC is a working committee, and outside of its regularly scheduled meetings, lay members serve as liaisons with other parish committees, as well as assume responsibility and direction over many aspects of the parent component of the Saint Rose School's strategic plan. Its members serve as Advocates for Saint Rose School, as well as proponents of Catholic education. Members will serve as parent ambassadors to families in the school and liaisons between the school families and the parishioners of Saint Rose, thereby ensuring the best possible education for the students of Saint Rose School. Members serve a three year term (with renewal option for a second term), and are expected to attend events including, but not limited to, Saint Rose School's Annual Open House and Moonlight and Roses fundraiser.
