

Valley Hospital, located in Phoenix, is recruiting Psychiatrists for their Inpatient Unit and Adult Psychiatric Program. The Outpatient Programs (both Partial Hospitalization and Intensive Outpatient Programs) are expanding. Valley Hospital is looking for a Psychiatrist to partner with our Outpatient Director and Clinical Team to expand the services to include all levels of the continuum.

This is a wonderful opportunity to join a great group of physicians at Valley Hospital. A private 122 bed free-standing psychiatric facility; Valley Hospital's Psychiatric Services offer a specialized level of care designed to meet the needs of patients who are experiencing various psychiatric and addiction disorders. Within its inpatient setting, Valley has six (6) evidence based adult programs. Valley Hospital also has a Partial Hospital Program and several specialized Intensive Outpatient Programs that provide a vital alternative for those who do not require inpatient treatment, need intensive follow-up after inpatient stay, or lack enough support at home to be successful as an outpatient.

Partial Hospitalization, Intensive Outpatient, Adult Inpatient and Inpatient Exclusively Women's position duties include; admission evaluations, daily care of assigned patients in the programs, treatment team leadership and interaction with clinical and other physician staff.

There is opportunity to work as an employed physician with salary and full benefits OR if preferred compensation can be structured as a fee for service independent contractor. Either way there is clinical and administrative support offered to physicians in what will be a patient centered care and very collegial practice setting. There is also opportunity for program leadership for interested candidates.

Benefits include:

- Competitive salary & Bonus
- Relocation
- Sign on bonus
- Malpractice coverage
- Health insurance, dental, vision benefits and more.....
- Paid Time Off
- CME time off and financial support
- Supportive leadership and caring work environment offers opportunity for professional and personal growth
- Requirements:
- Board Eligible/Board Certified in General Psychiatry with an active AZ license or ability to obtain licensure.
