***13th Annual Southwest Liver Disease Symposium:
Advances in Hepatology 2019***

Saturday, February 23, 2019

The Scottsdale Resort at McCormick Ranch

8:00am—4:00pm

You are invited to the 13th Annual Southwest Liver Disease Symposium, highlighting Banner Health's commitment to improving the health of our patients and the dissemination of medical knowledge in our community. Our Advanced Liver Disease Center and Banner Transplant Institute continue to grow at an extraordinary rate. In 2016, we were one of the fastest growing liver transplant programs in the nation, and in 2017 we performed 93 liver transplants. We continue to provide quality compassionate care to a complex and challenging patient population while maintaining excellent outcomes.

Co-Chaired by Nayan Patel, DO & Anil Seetharam, MD, this Symposium will bring together several national experts:
