**Friday, January 26th to Saturday, January 27th, 2018**

At the  
**Flamingo Resort Hotel, Las Vegas, NV**

## **ESSENTIALS OF PRIMARY CARE PSYCHIATRY CONFERENCE**

**Sponsored by the California Psychiatric Association**

- Practical “primary care psychiatry” clinical pointers for primary care providers and mental health providers
- Important DSM-5 diagnostic updates
- Topics include: Mood/anxiety disorders, substance misuse, personality disorders, collaborative care, pain psychiatric management and how to do a primary care psychiatric interview
- Hear from speakers who are national experts in the practice of psychiatry in the non-psychiatric setting
- Small group discussion and personalized learning with faculty who practice in both primary care and psychiatric settings
- Certificate of Completion for each attendee/more information will be forthcoming.
