

Dear Brevard Neighbors,

As Hurricane Irma tested us all, Health First stood together to help meet the needs of our community. We would like to thank our associates, physicians, partners and volunteers who were unwavering in the midst of the crisis. They performed their responsibilities with compassion and professionalism, with steadfast dedication to serving those in need.

We would also like to thank the community who supported our efforts. Many worked alongside us to provide safe, high-quality care for our families, friends and neighbors. Checking on our loved ones and homes, while we continued our mission to improve the health and well-being of those we serve.

Sincerely,

Steve P. Johnson  
President and CEO
