

Special Offers Needed for Tourism Welcome Bags

The Space Coast Office of Tourism is planning a **LOCAL VIBE** campaign for September and October. They will be promoting the message that now is the time to visit our area - **UNCROWDED, TEMPERATE** and **AUTHENTIC!** "Come and experience the Space Coast as we do!"

That is where you come in. The Office of Tourism is working with all the Chambers of Commerce in Brevard County to gather items for a **welcome bag** filled with coupons, deals, information. If you will be running any specials, sales or discounts during early Fall, consider the welcome bags as another opportunity to market your business.

Your deal will be distributed in the welcome bag, which visitors can pick up at the chambers of commerce. The bag will also contain a temporary tattoo, with a **LOCAL VIBE** design. Visitors have the option of wearing the tattoo and showing it at participating businesses to get their deals, or downloading a **LOCAL VIBE** card to present.

Please send your deal to Jennifer Lusk at jennifer.lusk@visitspacecoast.com by next **Wednesday, August 16th.**
