

Senior Behavioral WELLNESS

Welcomes
Guido Nodal, Jr., MD
Geriatric Psychiatry
Friendly. Caring. Qualified.

Many older adults experience unique emotional stresses that can oftentimes be helped through specialized care. The compassionate, experienced staff at Health First Senior Behavioral Wellness is here to support older adults with exceptional short-term care. Located in the tranquil setting of Health First's Palm Bay Hospital, this 18-bed unit offers patients the security and convenience of knowing they are receiving the right care in the right place. If you know of an older adult or loved one who may be struggling, please contact us today to learn how we can help.

1425 Malabar Road NE, Palm Bay, FL 32907
