

# Care about Open Space, Parks, and Recreation in Stoneham?

## Your Input is Needed!

The Town of Stoneham is updating its 1997 Open Space and Recreation Plan and we want to hear from you. How should the town maintain, protect, and improve its open spaces, parks, and recreational resources in the years to come?

**Participate in the first Public Forum on the Plan:  
March 28, 2017, at 7 p.m. at Town Hall Auditorium**

This project is funded by the Commonwealth's Community Compact program and the Metropolitan Area Planning Council (MAPC). Technical assistance provided by MAPC.
