

We build strength, stability, self-reliance, *and* shelter

## AMERICORPS SERVICE POSITION

### Construction Crew Leader

The member serving in this role will be part of the AmeriCorps team that will give the necessary boost to significantly increase the number of families our affiliate is able to serve through our Critical Home Repair (CHR) project in conjunction with Rutherford Housing Partnership, and new construction projects. With the assistance of the AmeriCorps member serving in this role, we anticipate completing 3 new builds and 20 Critical Home Repairs during the service term, with a total of 23 families served. We also anticipate at least 3 community events to occur, which will utilize the member to spread the word about our repair programs and encourage community members to get involved as volunteers on our worksites or to apply to be family partners. We view the construction crew leader as integral to our goals of building more homes and better neighborhoods and communities throughout our service area.
