WE NEED YOUR INPUT!

What does the future hold for Creve Coeur Park? Queeny Park?
Spanish Lake? Jefferson Barracks Park?

These popular destinations are just a few of the 73 destinations supported by
St. Louis County Parks and Recreation. Help us plan our future!

Enter to Win!

Pool Passes • Summer Camp Credit • Fall Hayrides • Winter Wonderland Passes • And More!

The same open house will be conducted in three locations to reach residents in all parts
of St. Louis County. Attendees can come and go anytime during the four-hour open
houses. At each location, a presentation will be conducted at 5:30 and 6:30 p.m.

At the meeting you will:

needs of Parks facilities
- » Find out about the
priorities expressed so
far by County residents

make decisions about
future investment
