

Dear TBE Members,

I'm writing this letter with a very heavy heart to share with you that I have decided to retire by the end of June. This was not an easy decision, but I felt that now was the right time for me to move on to the next stage of my life and take the time to enjoy my family.

I have been at TBE since 2005 and every day I looked forward to coming to work! I feel so fortunate to be part of this community. I had the best mentors and colleagues who allowed me to grow personally and professionally. You have trusted me with your children and I'm so grateful for your partnership in rethinking Jewish education. We went to Israel on the first TBE women's trip and you let me share with you my love of Israeli Literature. You even got used to my accent...

These 13 years have been a wonderful experience. I cannot thank you enough for your friendship, support and for the opportunity to have a rewarding and fulfilling career.

This is not a goodbye, but a L'hitraot (see you again),

Judy Avnery
