Adverse Childhood Experiences: What it means for you

15 March 2017

All Nations Centre, Sachville Avenue, Cardiff

Public Health Network Cymru is hosting an event to enhance the capacity of the wider public health workforce in addressing Adverse Childhood Experiences (ACEs) in Wales.

This event will provide an opportunity to hear from some experts in the field of ACEs and how your work contributes to reducing the long term impact of ACEs.

Delegates will have the opportunity during the day to provide valuable feedback to help inform future developments and to provide practitioners with support and guidance and become more ACE informed.
