

Nadia kahn

West End Community -- please join me in welcoming Nadia Kahn as our full-time Synagogue Administrator. Beginning on July 12th, Nadia and Lila will work together through the balance of the month of July in order to provide a seamless transition for the office staff and for the WES community.

Nadia is a Jewish professional who has worked for more than a decade in the NYC Jewish non-profit world, beginning as a senior editorial assistant at YIVO Institute for Jewish Research, then as a program director at the JCC of Manhattan, and most recently, as a special projects coordinator for a Soviet Jewry project at Skirball Department of Hebrew & Judaic Studies at NYU. She is bright, well-organized and computer savvy. Her stellar resume and references, including one from our beloved (former) rebbitzin Rabbi Ayelet Cohen, made her our unanimous choice for Synagogue Administrator. Please introduce yourself and welcome her to our WES home.

As of August 1, Nadia may be reached at
Admin@westendsynagogue.org and at ext. 220.

Please also take one last opportunity to thank Lila Pahl for her many years of dedication and care for our community.

THANK YOU FOR EVERYTHING, LILA!! WE WISH YOU ALL THE BEST!!
