

*Harvey Cedars is
nestled in a beautiful
seashore setting.*

Barnegat Lighthouse

You will find Harvey Cedars Bible Conference the perfect place to retreat from all the pressures of life and experience a unique setting where you can speak to God and he can speak to you. Jesus realized the importance of withdrawing to a restful place to regain spiritual and physical strength. He often left the disciples and crowds, who demanded so much from him, to spend time alone with his father. Harvey Cedars is a place where many people find rest, relaxation, and renewed spiritual direction to face today's fast-paced lifestyle. Not only does Harvey Cedars provide the opportunity to relax and connect with God, but it is also a place where families and friends make memories that last a lifetime.

MEET THE SPEAKER: ANDREW KIM

Andrew grew up in Vancouver, Canada, a city he proudly calls "the most beautiful city in the world". He studied biology at the University of British Columbia and later received his Master of Divinity degree from Gordon-Conwell Theological Seminary. After college he worked with Mercy Ships, a Christian humanitarian organization, where he had the opportunity to travel to numerous countries around the world. Thereafter, he worked as a Resident Director at the University of Northwestern—St. Paul, a Christian liberal arts college in Minnesota. Andrew previously served at Bethany Well Church in Ft. Lee, NJ as the Associate Pastor and Interim Lead Pastor.

Andrew loves hockey, food, and his family, which includes his wife, Robin, and children, Isaiah and Eliana. Andrew leads Church of the Saviour's young adults ministry and occasionally preaches at the morning services.

RETURNING BY POPULAR DEMAND

Christopher Wright led us in worship last year and he will be joining us again this year. He has shared the stage in concert ministry with many artists including, Michael W. Smith, Jared Anderson, NewSong, and GLAD. Besides his own recording projects, Christopher's songs, voice, and guitar can be heard on
