

\$1000 SCHOLARSHIP

The Newberry County Master Gardeners Association is now accepting applications for this scholarship.

Criteria:

The scholarship is awarded on the basis of

- Character
- Sincerity of purpose
- Civic and personal achievements
- Academic record
- Intent to pursue studies in horticulture, agriculture, food science, forestry or related field

Eligible candidates:

- High school seniors
- College level students

Priority:

- Newberry county residents are given first priority
- Secondary consideration will be given to residents of contiguous counties

How to apply:

Interested candidates should complete a scholarship application form and submit it along with all requested attachments no later than April 20, 2018

Applications are available at Newberry County high school guidance departments, other school guidance departments, and the Newberry County Clemson Extension Office.
