

Mary Woolley
President and CEO,
Research!America

November 13, 2018

3:30 PM

Room V-10

Robert Wood Johnson
Medical School
675 Hoes Lane West
Piscataway, NJ 08854

Meet the Speaker
Reception following the
presentation

Your Role in Changing Hearts and Minds for Science

ABOUT THE TALK:

- *Scientists as advocates: effectively communicating to the public, policymakers and the media*
- *Current political climate & public survey data*
- *Federal science and health agency budgets*
- *Science impact on quality of life and health, the economy and national security*

ABOUT THE SPEAKER:

Mary Woolley is president and CEO of Research!America, the nation's largest not-for-profit alliance working to make research to improve health a higher national priority. Woolley is an elected member of the National Academy of Medicine and recipient of the NAM's Adam Yarmolinsky Medal for distinguished service. She serves on the National Academy of Sciences Board on Higher Education and the Workforce. She is a founding member of the Board of Associates of the Whitehead Institute, and a member of The Division of the Biological Sciences and the Pritzker School of Medicine Council of the University of Chicago. She holds two honorary doctoral degrees, from the Northeast Ohio Medical University (NEOMED) and Wayne State University.

There is no fee to attend but registration is required. Register [here](#)
