### **A Note to Parents:**

In order to have the most effective program possible, we have a series of mandatory trainings that WEB leaders must attend. Please be sure these dates work into your family's summer schedule before submitting this application.

WEB leaders will be given the responsibility of managing and instructing a small group of 8-10 sixth graders on Orientation Day in a series of activities; these are done in an effort for the WEB leaders and sixth graders to get to know each other better as well as allow the WEB leaders the opportunity to pass on some valuable information about being successful in middle school. In addition to Orientation Day, WEB leaders will spend some of their regular advisory/study hall time to train for and lead academic and social activities in 6<sup>th</sup> grade advisories.

Our desire is to offer support for the sixth grade class as well as help each WEB leader develop his/her full leadership potential. We appreciate your support of our efforts.

**DUE: Friday, April 21<sup>st</sup>.**  
**Turn into office or WEB Teachers.**

## “Why I Would Make a Great WEB Leader.”

Please read about the expectations of being part of the WEB program on the other side of this paper. Then write a paragraph describing how your qualities and characteristics as well as life experiences will make you an excellent addition to the WEB program. Although you are not being graded and spelling does not count, please write neatly and answer honestly and thoroughly.

**Students: I understand the commitments of being a WEB Leader for the 2017-2018 school year and will try my best to fulfill the expectations of a WEB Leader.**
